

Introducing littlefarma Shatter!

High-quality products, crafted with integrity

Welcome to the world of the little farmers! Our little community has long existed in the shadows, working behind the scenes to grow and deliver our products to those who needed them the most. Now, thanks to legalization and some helpful friends, we are bringing our goods into the light, sharing them with even more people like you, and revealing ourselves to this great big world!

Sunset Sherbert Honey Shatter

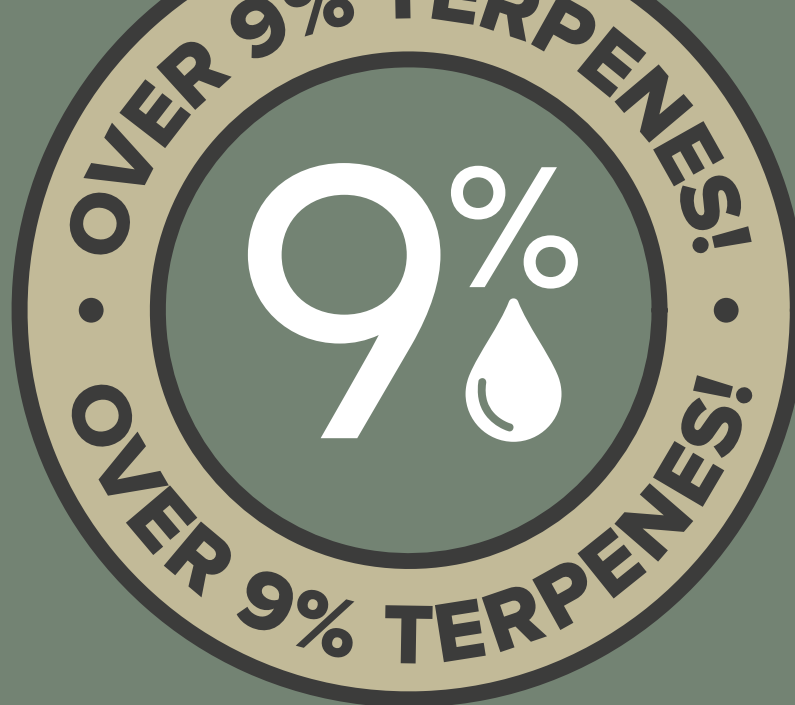

NOW WITH A NEW CLEAR OUT PRICE.

Available for a Limited Time!

Relax, kick-off your shoes, and watch the sun go down with little farma's Sunset Sherbert Honey Shatter. This is not just another shatter! Our master crafters have developed an LPG (hydrocarbon) cannabis extract that captures the essence of traditional honey oil and combines it with the user-friendliness of a high terpene shatter.
